## Held for Grand Jury

On Larceny Charge  
Vincent Johnson, 44, negro handyman on the farm of Donald Williamson at Clintondale for several years, was committed to the Ulster county jail Wednesday to await the action of the grand jury on a charge of grand larceny in the first degree.

Johnson is charged with having on January 20 stolen from Mr. Arnold Rennie a diamond ring valued at \$1,500, which later he sold in Kingston for \$50. Corporal Metzger of the B.C.I., who with Trooper Smith arrested Johnson, says that the latter admitted the theft.

The story is that Johnson saw the ring lying on a shelf in the Williamson home and picked it up. Several days later the owner missed the ring and announced that if it didn't show up by January 27th the state police would be notified. On that date Mr. Williamson called the state police.

Johnson called the state police and told him the ring was made and it was found at the home of relatives in Clintondale and was arrested. He was arraigned before Justice Hobart C. Smalley, who held him for the grand jury.

Soviet Union Aims  
At Resisting Vatican  
Moscow, Feb. 7 (AP)—K. Gofman, writing in Red Star today, called Pope Plus the mouthpiece of Germany and the "preacher of a soft peace" and apparently served notice that the Soviet Union would resist any Vatican interference in Germany, Austria, Hungary and Poland.

Gofman's sharply worded international review, without referring to the meeting of the Big Three, said the time was ripe for the Allied powers to settle the postwar fate of Hitler's Reich.

The author singled out Dorothy Thompson, New York columnist, as an example of elements in the United States and Britain which he declared "try to break down Allied unity in the last stage of the European war, accusing the Soviet Union and Britain of unilateral actions."

Move Afoot to Unite  
Two Russian Churches  
Moscow, Feb. 7 (AP)—Metropolitan Benjamin of North American and the Aleutians said today that the final steps for close cooperation between the American Orthodox Russian Churches with the mother Russian church would be taken this week.

Two American delegates to the All-Russian Orthodox Congress, Bishop Alexy Dvonchik and Father Joseph Dvonchik, were expected to arrive here tomorrow, having been delayed by weather in the plane and train journey from the United States.

"There are ten bishops with 300 American parishes which are being reconciled with the mother church," Metropolitan Benjamin said. "It is a great religious moment."

Oil Plants Are Bombed  
London, Feb. 7 (AP)—Oil refineries in the Vienna area, the most important remaining source of natural motor fuel for the Germans since the Russians seized a large part of Silesia, were bombed by U. S. 15th Air Force bombers from Italy today.

Macaroni and spaghetti are rich in the elements that build sturdy bodies and alert minds. The high proportion of carbohydrates together with protein makes them important energy foods. When combined with vegetables, cheese, meat, or fish, macaroni and spaghetti make ideally balanced meals. Their mild, appealing quality makes them a perfect "base" for many desirable dishes.

**Macaroni With Vegetables**

7 to 8 oz. macaroni 3 cups soup stock 2 cups butter 2 cups carrots 3/4 cup raisins 1 onion (chop fine) 1/2 cup green peas 1/2 cup diced carrots

Put onion in butter until brown. Have stock boiling, add salt, uncooked macaroni and vegetables. Cook 20 minutes, stirring often. Serve as main dish or salad. Treat generous servings.

**Spaghetti Croquette**

2 to 3 oz. spaghetti 1 cup milk 3 cups butter or margarine 1 egg 3 cups flour 1 cup meat fish 1/4 cup pimientos 1 egg 1 tsp. salt

Cook spaghetti until tender; drain and chill. Make cream sauce of flour, butter, milk; cook thoroughly. Add spaghetti, meat, fish, pimientos cut fine, and salt; chill again. Shape into croquettes, roll in egg beaten with 2 tbs. milk, dip in crumbs, fry in deep hot fat. Serves four.

### Paper on Mystery Story Given at Atharhacton

The origin of the mystery story was the topic of the paper presented by Mrs. Harold F. King at Atharhacton meeting Wednesday afternoon at the home of Miss Louise van Hovenberg, 195 Wall street. Mrs. King stated that probably the first detective story was found in the Bible in the story of Susanna and the Elders.

However the origin of the modern mystery story could be traced to the 18th century Gothic tales of horror. Ward Itadell, outstanding writer for this type of story, designed to give the maximum number of chills to the reader. The story with a detective as a hero was originated by Edgar Allan Poe in "Murders in the Rue Morgue" and "The Mystery of Marie Roget." He was a master in the use of fastidiously and terror to hold his readers, Mrs. King explained.

She believes the most successful of all detective writers to be Conan Doyle known for Sherlock Holmes stories. Amazing as it may seem Mrs. King pointed out letters still arrive at the London post office addressed to Sherlock Holmes, 221 Baker street, so real is the character to millions of readers. The author set the pattern followed by detective story writers for two generations, the formula of sewing up the character, unraveling him and using a surprise ending.

The popularity of the detective story may be explained in the deep appeal to the analytical type of mind, Mrs. King noted. It is pure story telling and has pleased thousands of readers because of its relaxing and refreshing character. At the short business meeting, Mrs. Charles Arnold, president, announced the members of the program committee: Mrs. Henry Dunbar, chairman, Mrs. Harold F. King and Miss Agnes Scott Smith. The nominating committee includes Miss Lillian Nelson and Mrs. Charles A. Terwilliger.

The next meeting will be February 21 at the home of Mrs. Hamilton Boyd, St. James street. Miss Grace Gordon will present the paper, "The Therapeutic Use of Music."

The meeting yesterday afternoon opened with a social hour and tea. Mrs. Harold F. King assisted the hostess by pouring.

### Benedictine Auxiliary Hears Report on Cancer Program

The regular meeting of the Ladies' Auxiliary of the Benedictine Hospital was held Wednesday afternoon at the Nurses' Home. Dr. B. P. Mattison was the guest speaker and gave an outline of the state health department's program for combating cancer. The five main points include report of all cases to the Board of Health; organization of tumor clinics throughout the state; post-graduate instruction to dentists, nurses and doctors; an attempt to prevent cancer problems to lay groups and research in the methods of treatment. He explained that the national program dealt mainly with research work.

According to the 1942 report Dr. Mattison explained that this district had the largest cancer mortality rate of any district in the state and gave the reason that this area has more people over the age of 30 years. He continued to point out the various symptoms for the different types of cancer and urged immediate medical examination for cancer can be cured if cared for in the early stages. He also noted that cancer is not inherited but the weakness to tumors may be there is no medicine or ointment that can cure the disease. Dr. Mattison stressed but only through the use of surgery, X-ray and radium can cures be made.

Preceding the regular meeting the members rolled bandages for an hour under the direction of Mrs. Charles Mullen and Mrs. J. Schuyler Schanger. Mrs. Charles Davis presided at the short business meeting.

At the close of the meeting tea was served with Mrs. Joseph Scholer and Mrs. Robert Mosley assisting in pouring.

## Ulster War Fund Committee

Members of the Ulster County War Fund Committee formed a permanent organization at the first report meeting held Wednesday evening. This committee will function for the duration. In the 1944 financial drive \$37,909.81 was reported. The amount exceeded that of the previous year. The campaign will open earlier this year than previously. This is designed to give the workers more time to make a complete canvass.

## \$37,909.81 Is Reported In Ulster War Fund Drive

**Permanent Organization Is Formed, the Amount Exceeded Last Year by \$6,000**

At a meeting of the Ulster County Committee for the National War Fund held Wednesday evening, incomplete returns showed a total of \$37,909.81 including an allocation of \$929 from the State War Fund. The goal set for Ulster county by the New York United War Relief Fund was \$56,000.

A permanent committee for Ulster county was selected. This committee will function for the duration, replacing the temporary organization. County Judge John M. Cashin will be the honorary chairman, Howard Anderson, county chairman, Walter Donnaruma, city chairman, Mrs. Joseph M. Fowler, vice chairman for Kingston, John H. Saxe, treasurer, Louis B. Stekeler, secretary, Mrs. Milton H. Wagenföhr, publicity director.

It was voted to send \$35,000 to the National Fund as the first payment of the 1944 funds.

The 1944 total was in excess of the previous year by approximately \$6,000. In this year's amount there was a reduction of about \$1,800 in the allocation from the State Fund.

In the City of Kingston there was raised \$19,344. The amount in 1943 was \$12,500. In the City of Kingston and the towns of Esopus

and Ulster a total of \$21,170.79 was collected. This was an increase over the previous year of \$5,485.84.

In the county districts, Saugerties showed a notable increase from \$482 to \$4,022. Gardiner hosted its former amount from \$510 to \$1,000 and Olive from \$194 to \$694.

City Chairman Donnaruma in opening the meeting thanked the members for their untiring efforts and expressed the wish that a permanent organization be formed so that an earlier start might be made in future drives. He also outlined tentative plans for contacting and remembering those in service from Ulster county.

County Chairman Anderson was unable to be present and Judge Cashin conveyed his message of thanks to the workers. The Judge asked the workers to carry back to the people the appreciation of the committee for their generous support. He exhorted the workers to continue their efforts as the needs were great and the young men and women who were giving their all were deserving of nothing less than wholehearted support of the people back home.

Secretary Stekeler submitted the reports.

It was the consensus of the chairman and workers that if an earlier start in the campaign was made that much better results would have been obtained. The campaign opened in October and continued for about three weeks. With a permanent organization now functioning the campaign will open earlier this year.

**Sugar for 1945 Will Be Short in Supply**

Chicago, Feb. 8 (AP)—Despite liberation of the Philippines, which formerly shipped nearly 1,000,000 tons of sugar annually to the United States, the sugar situation will remain tight in 1945. Philip P. Goff, president of the National Confectioners Association, said today.

"Even if the Japanese are not destroying the sugar mills," his statement said, "the maximum production of the islands would be required for our troops, China, and the Allied forces in the Pacific operations."

"There continues to be a shortage of vessels for bringing in Cane and other offshore sugars, and the lack of shipping in general is accentuated daily by our advances in the Pacific area."

"We are extra and painful for waste."

### New York Philharmonic Visits

Mrs. Rodzinski and Son New York, Feb. 8 (AP)—Sixteen members of the New York Philharmonic Symphony Orchestra quietly filed into a private home last night, tuned their instruments to musical whispers, and then began the gentle notes of Wagner's "Siegfried Idyll."

Their audience: A two-weeks-old child and his mother.

The music, which echoed the sleep motif from "Siegfried" and the tune of "Sleep My Child," was the orchestra members' surprise for Mrs. Arthur Rodzinski, wife of the Philharmonic director, who had just returned from the hospital with her son, Richard.

### Club Notices

**Y. M. C. A. Auxiliary**  
The regular monthly meeting of the Y. M. C. A. Auxiliary will take place at the "Y" Friday afternoon at 2:30 o'clock.

**20th Century Club**  
The Twentieth Century Club will hold a special meeting Monday evening at the home of Mrs. Maynard Mizel, 121 Emerson street, at 7:30 o'clock.

### Suppers-Food Sales

**Eendracht Chapter Continues**  
Washington Dinner Custom  
The Eendracht Chapter of the First Dutch Reformed Church Women's Guild will continue the custom of serving a turkey dinner on Washington's Birthday at the First Dutch Reformed Church. In former years the Men's Club sponsored this dinner with an evening's program of speakers but declined to do so this year.

The Eendracht Guild composed of younger women of the church congregation decided to continue the custom at least with serving the dinner. There will be two servings at 5:30 p. m. and 6:30 p. m.

All tickets must be purchased in advance since no tickets will be sold at the door. Tickets will be obtained from the following Mrs. Henry C. Page, Mrs. James Hunkerford, Mrs. O. D. B. Ingalls, Mrs. Charles L. Palmer, Mrs. Arthur E. Oudemool, Mrs. Louis Semon, Mrs. George Kernochan and Mrs. Charles Goble.

### Temple Emanuel Slate Of Religious Activities

Services will be held in Temple Emanuel on Friday evening at 7:45. Rabbi Bloom will preach on the theme: "Jewish Prayer in a Distracted World." The sermon will have reference to the World Day of Prayer.

Religious school will take place at 10 o'clock on Sunday morning. Rabbi Bloom will broadcast over WKNY on Tuesday evening at 7:45 p. m.

The Sisterhood of Temple Emanuel will hold its monthly meeting next Wednesday.

The youth group will meet at 8 o'clock on Thursday evening, at Rabbi Bloom's home.

### Wing Scouts First Aid

While the Wing Scouts of Troop 9 are taking their First Aid course, meetings will be held Thursday evenings at 7 o'clock at the City Laboratory.

**Send Gifts for Veterans**  
The Girl Scout Troops of Port Jervis have been collecting used fat during the past several months. With the money received from this project, Valentine's, shaving lotion, writing paper, playing cards and other small gifts were purchased and sent to the Veterans' Hospital at Castle Point.

### Club Will Meet

The Couples' Club of Trinity Methodist Church will meet in the church parlors for supper at 7:15 o'clock Friday evening. After supper a social hour will be enjoyed. It is expected that there will be a large attendance.

### Family Supper Planned

The second in the series of church family suppers and study hours will be held Friday evening in the chapel of the Rondout Presbyterian Church. The members of the Baptist congregation are co-operating in this series by the attendance and by work on the various committees. The supper will be served promptly at 6:15 o'clock that evening. Those in charge are Mrs. M. R. Coulart, Mrs. Charles A. Terwilliger, Mrs. Henry Eggleston and Mrs. M. Craft. Following the serving of the supper study groups will be formed. There are groups for those of all ages.

Mexico, City, Feb. 8 (AP)—Two leading South American horses which have been running in Panama, the Chilean-bred Tamesis and the Argentine-bred Confetti, have arrived at the Hipodromo de las Americas.

Other South American thoroughbreds expected here are Pastenaga and Transvaal from Chile and Politico from Argentina.

Kings Point, N. Y., Feb. 8 (AP)—The wrestling team representing the U.S. Merchant Marine Academy, coached by Carlos Henriquez, former Columbia captain and pro star, has completed an undefeated season with eight straight victories.

The academy blanked Muhlenberg last night, 26-0, when the only fall was scored by William Bernard, former Lehigh ace, over Jay Henry. All other matches ended in decisions.

New York, Feb. 8 (AP)—The pro football situation may be clarified sometime within the next week when Col. Larry MacPhail, New York coach, meets Chick McLean, president of the new Trans-America League.

McLean still has hopes of securing the Yankee Stadium for his New York club but indicated Trans-America club owners agree it would be feasible to proceed after the war without a team from the "big town."

New York, Feb. 8 (AP)—Babe Ruth celebrated his 51st birthday yesterday, recalling how he hit homerun No. 51 off Willis Hudlin in Cleveland in 1927, the year he set the record of 60 circuit clouts.

The Babe weighs 260 pounds now and is worried about his lack of exercise because he hasn't been able to do much since an operation on his knee eight months ago.

Phoenixville, Pa., Feb. 8—The "biggest morale factor" at the army's huge Valley Forge Hospital for wounded veterans is a constant winner, staff physicians agree. Their comments were reported by Forge hospital publication.

Chicago, Feb. 8 (AP)—The University of Chicago, which has not competed in Western Conference athletics since 1941—emphasizing sports several years ago, will return to competition in track only this season and will hold its first "tune-up" meet Saturday against Wayne University of Detroit.

New Orleans, Feb. 8 (AP)—In the 1945 tourney starting here tomorrow golfer Harold (Jug) McSpaden is again going to try to beat the jinx that has always kept him from winning the New Orleans Open.

McSpaden has been right on the heels of the winner four times since the tournament began in 1935. His toughest blow came in 1940 when Jimmy Demaret beat him by one stroke after two of Jug's tee shots on the 17th went into a jagged.

## Connie Is Glad Larry MacPhail Is With Yanks

Los Angeles, Feb. 8 (AP)—The 82-year-old boss of the Philadelphia Athletics, Connie Mack, is regarded as a conservative member of the old school of baseball, but he believes the advent into the American League of the flamboyant Larry MacPhail is a stroke of good luck.

MacPhail, says Connie, is going to keep the rest of the league on its toes.

"I'm a great admirer of Col. MacPhail," the veteran tactician said during a jamming bee with a group of baseball men. "He did a great job at Cincinnati and at Brooklyn. I'm glad to see him in with the Yankees. He can keep interest in baseball at white hot pitch. He really put night baseball across. He has brains, pep and color, and so do his teams."

Connie said he was sorry to see his old friend, Ed Barrow, step aside in the Yankee organization. Mac said he is completely in accord with the major league's decisions to retain the commissioner system.

"By all means, baseball needs a commissioner—and one with plenty of power, too," Connie elaborated. "But I don't think we should be in too much of a hurry to pick him. There are any number of men, both in and out of baseball, well fitted for the position, but if we take our time we should find just the RIGHT MAN."

He declined to mention any names, however, as possible candidates.

The fanning bee got around to the annual question of when Mack was going to retire.

"Why should I?" he asked. "I'm looking forward to baseball after the war. Then too, it has been a long time since we won a pennant in Philadelphia. Maybe it'll be our turn pretty soon, and I shouldn't want to miss that."

Connie and Mrs. Mack will remain here until early next month, then return to Philadelphia for his 45th year as manager of the A's and his 62nd in organized baseball.

## 24 Majors Are Ready to Play Ball in Hawaii Area

San Francisco, Feb. 8 (AP)—Major league baseball probably won't fold this year—but even if it should they'll still be playing big time baseball in the U. S. Navy.

Louis Leong Hop, new sports editor of the Honolulu Star-Bulletin, notes that an additional 24 former major and minor league ball players have arrived in the Hawaiian area for naval duties. This makes 48 players stationed there. This gathering is probably purely coincidental and not related to the fact the Army has some fifty diamond talent out that way, too.

Who knows but what on a dull day the two military branches might hook up in a dazzling baseball series again. The Navy, incidentally, walloped the Army in the servicemen's world's series late last year. Naturally, the Navy wants to retain this honor.

## Series Raises \$1,062,918 For War Relief Fund

Chicago, Feb. 8 (AP)—The last three World Series have raised \$1,062,918 of the \$2,630,460 contributed to War Relief by baseball's major leagues in three wartime seasons. Earl Hilligan, of the American League Service Bureau, disclosed yesterday.

Last season the All-Star game in Pittsburgh yielded \$81,275 to the fund for supplying service troops with baseball equipment to which was added \$25,000 from the two leagues and the commissioner's office and the \$25,000 radio fee.

In the three year span, Hilligan said, the American League raised \$595,384 while the National League contributed \$567,534.

## Coaches Divided On Experimental Basketball Game

By JACK HAND

New York, Feb. 8 (AP)—Opinion was divided today on the success of the experimental basketball game played last night between Columbia and Fordham in which the value of field and foul goals increased with the distance of the shot.

Oddly enough, Columbia which won the game under the new rules, 73-53, also would have won under the standard regulations by 15 points, 50-44. The effect of the experiment was to add 14 points to the score of each team.

Couch Elmer Ripley of the Lions wasn't too enthusiastic, "the rules were all right," he said. "But give me the old game. Nat Holman, City College mentor, followed the game reasoning but admitted he was "glad to see the defense loosened up a bit."

Ned Irish, acting president of Madison Square Garden, saw possibilities in widening the foul lane from six to 12 feet thus limiting the value of height under the basket because of the three-second rule.

"But the three-point field goal and the two-point foul shot don't look like improvements," Irish commented. "They cut down floor play too much."

Coach Howard Hobson of Oregon had suggested the field goal change permitting three points for a shot outside the 23-foot line. Another regulation gave two points for a foul if a player exercised the option of shooting from the same 23-foot line.

The slightly bewildered spectators joined the Fordham players in approval of the innovations especially the widened foul lane.

## Hulbert and Andrade Play in Net Match Today

Palm Beach, Fla., 8 (AP)—Play in the second round of the South Florida Championship Tennis Tourney begins today with Betty Ruth Hulbert of St. Louis meeting Marta Barnett Andrade of Miami, in one of the top singles matches.

Both Miss Hulbert and Miss Barnett drew byes in yesterday's first round play. Miss Hulbert recently won the Florida West Coast Tournament at St. Petersburg, while Miss Barnett is a former Florida state women's champion.

In the men's singles, Tom Burke of Rego Park, Long Island, and a University of Miami student, faces John Lee of Delray Beach. Burke is hailed as a pre-tourney favorite along with Bruce Thomas of Lake Worth.

## Amateurs Team Up With Pros for Play in New Orleans

New Orleans, Feb. 8 (AP)—New Orleans amateurs teamed up with the touring golf professionals today in a prelude to the \$5,000 New Orleans Open which begins tomorrow.

Each pro had two amateur partners in today's best ball event. In the tournament proper, Sammy Snead, Hot Springs, Va., was placed among the favorites because of his seven-under-64 practice round yesterday at the Metairie course, second only to the City Park number one course tournament site, which is considered the toughest in the city.

The sharp-shooting Snead holed out 13 one-putt greens and 23 putts in 18 holes. After sinking them anywhere from a foot to 40 feet he muffed a two-footer on the last hole.

Other pros showing up well in practice rounds were P.G.A. champion Bob Hamilton of Evansville, Ind., who received the permission of his draft board to take his pre-induction physical here Monday. Henry Picard, twice champion of the Open, Craig Wood, duration Open champion, Byron Nelson and Harold (Jug) McSpaden. Sammy Byrd, defending New Orleans champion, was expected to try out today to see whether his ailing arm will allow him to enter the tournament.

## Former Caddy Designs Golf Course on Morotai

With the Dixie Division on Morotai (Delayed) (AP)—A former Glen Oaks, N. Y., caddy has designed and operates the first and only miniature golf course on Morotai. The greens are sand, the cups, C-rations cans and the clubs are made from Australian redwood.

The balls are fugitives from a ping-pong table. Sergeant Arthur Pietrowski of 163 Rhodes avenue, Hempstead, N. Y., an Army baker, is both pro and caddy-master. The sergeant's recent Grand Jangle Open Tournament attracted 50-odd players at a guildler's head.

Par on the nine-hole course is 21. It is crowded with players when the rough and ready 31st Division reconnaissance troop of which Pietrowski is a member is not in the jungle or an assault wave killing Japs. The troop is good at that, too, having been credited with the greater part of 200 slain on a recent outing.

## Lights Out

Redwood Falls, Minn., Feb. 8 (AP)—The brownout of bright lights didn't worry Ed Johnson, manager of the local theatre—at least not for a while.

He though he solved the problem by faintly hanging four kerosene lanterns on his marquee. But now he's wondering where he'll get the kerosene.

## Corny

Los Angeles, Feb. 8 (AP)—Things were really popping for a while last night. Seven fire companies battled a blaze which did an estimated \$25,000 worth of damages to a popcorn processing plant.

## WOODSTOCK

Woodstock, Feb. 8—The highway department was able to clear the roads in the direction of West Saugerites Tuesday and make it possible for people living in that quarter of the town to secure feed for their stock and other necessities. The roads had been blocked in that direction for some time and some of the equipment owned by Saugerites was brought out to make the road clearing possible.

Robert Brinkman was in town over the week-end.

P.F.C. Clarence Finch, who has been for some time past in a hospital in Halloran, Staten Island, was given a leave from that institution to visit his parents, Mr. and Mrs. Holmes Finch in Kingston a few days ago.

The Red Cross drive will start in Woodstock March 1.

Mrs. Allen Yager, who was recently operated upon at the Kingston Hospital has returned to her home. Her daughter, Dorothy, has

for a time given up her position in Kingston to care for her mother. The condition of Mrs. Anna MacDaniel is reported as better. She is suffering from a heart ailment at the Kingston Hospital. Miss Clara Geiser has returned to her place of business, the Gift Shop, from a visit to her sister in Troy.

Mrs. Susan Barrows is in the Kingston Hospital with a broken leg which was the result of a skiing trip to Phenicia a few days ago.

W. C. Fowner, Jr., Pittsburgh, the late W. J. Travis, Charles Evans, Jr., Chicago, and Francis Quimet, Boston, all have won at least one national and one North and South open golf championship.

Football teams from eight different Southeastern Conference schools have played in the last nine Orange Bowl games.

The Pittsburgh Pirates have finished in the first division of the National League 36 times in the past 45 years.

## Weber Sentence Changed to Life; His Wife Protests

**Soldier Also Is Given Dishonorable Release; Mrs. Weber Talks to A.C.L. Head**

Camp Roberts, Calif., Feb. 8.—Pvt. Henry Weber was out of the shadow of the gallows today, his death sentence changed to life imprisonment.

The 27-year-old soldier, a shipyard foreman at Vancouver, Wash., before being drafted, was sentenced by court martial to hang for refusing to drill, his case attracted nationwide attention. Yesterday, by direction of the commanding general of the camp, the court martial reconvened, reversed the death sentence, sentenced Weber to life imprisonment at hard labor, gave him a dishonorable discharge, and ordered his pay forfeited.

In Portland, Oregon, his wife conferred with an American Civil Liberties official. She declared life imprisonment for her husband is "still outrageous."

"I am more determined than ever," she said, "in fighting for justice for my husband. She said her understanding of conscientious objector is that it can refer to 'any person whose deep personal convictions, either religious or political, are opposed to taking human life.'

"Other patriotic Americans are still in uniform and not hearing news. Henry has insisted all along that he would not kill anyone."

### Bar Association Moves To Erase Bliss' Name

Members of the Ulster County Bar Association at the annual meeting held Wednesday afternoon took steps to expunge from the minutes of the association, action which was taken last April when a resolution endorsing the candidacy of F. Walter Bliss for Supreme Court justice was offered and adopted by the members present. The action was taken Wednesday was on the theory that at the meeting last April there was not a quorum present and no action could be taken.

Not only did the Bar Association vote to expunge from the record the endorsement of former Justice Bliss as a candidate to succeed himself but the association voted to decline any action taken at the meeting last April as void.

At the meeting last April a resolution was presented and adopted by those present recommending and endorsing the name of F. Walter Bliss of Schoharie county as candidate for the Supreme Court bench to succeed himself. Justice Bliss was nominated later on the Democratic ticket but was defeated on Election Day by Justice Roscoe C. Elsworth of this city.

Roger H. Loughran was elected president of the Ulster County Bar Association to succeed Abraham Streifer. Walter J. Miller was named vice president; Harry Gold, secretary and Kirtland F.

## The War Today

By DEWITT MACKENZIE

(Associated Press War Analyst)

If General Eisenhower isn't on the verge of launching a mighty offensive against the Germans Rhineland defenses, he certainly is giving a most convincing indication of a man with such intention. The Hitlerite spokesmen say there's no doubt the story is about to break. The whole Allied front is throbbing with invasion. Allied fighting men stand on or inside the German frontier along a 100-mile line, from floor-mound in the north to war-blasted Saarbrücken in the south.

On the northern flank the British Second Army and General Simpson's U. S. Ninth Army, having recently improved their positions, are poised for action. Below them General Hodges' U. S. First Army and General Patton's

hell-raising Third are smashing into the German Siegfried defenses in what could be restricted operations but look like preliminaries to a big drive.

### Military Anomaly

All this presents an intriguing military anomaly. It runs counter to what one would expect under normal conditions, because this is a bad time of year for a major assault.

Winter snows, floods and deep mud have turned the terrain into a nightmare. The flying weather is so vile most of the time that the all-important tactical forces of fighter-bombers are grounded day after day. In short, unless Eisenhower were impelled by some great emergency, one wouldn't expect him to undertake an all-out offensive before the good weather in the spring.

Looking across at the eastern

front we see a similar phenomenon. There the Muscovites would, under normal circumstances, have paused when they reached the strong German defenses along the river Oder. The Red forces are entitled to a breather after their terrific race across the snow-bound plains of Poland. Their greatly extended communications surely could do with an overhauling.

But the Red Armies are continuing their onslaught all along the line. There's no sign that they figure on slackening in their fierce drive.

### Going Against Procedure

Thus we see both eastern and western Allies going against procedure in every-day warfare. They're doing it by agreement. Why?

The answer is that a crucial emergency has arisen. The Hitlerites are showing striking weakness in both theatres. The line of

the Oder isn't holding the way we had been led to expect. In the west Nazi Marshal von Rundstedt's badly mauled forces have been so depleted by casualties in the battle of the Belgian bulge that he's giving ground all along the Westwall.

From within the Reich come evidences of a great country in desperate circumstances which certainly presage collapse. These signs of impending collapse have created an emergency

which calls for exceptional treatment. Thus we find the Allies throwing every ounce of pressure possible against the enemy.

get you out," the medic whispered.

They crawled to him and lifted him from the ground, but the Germans had seen the rescuers and sent a rifle bullet crashing into the hand of one of the medics. Unprotected, they dropped back. Later they tried to get to him again but German fire drove them away.

When darkness of the second night fell, three Germans came. He asked for a drink of water. They refused it. They took his field jacket, divided up five packages of cigarettes in the pockets, then set to work booby-trapping him.

"I lay on the charge the next day and into the night," he said. "I sure thought I was a goner. I knew I would never leave the forest alive."

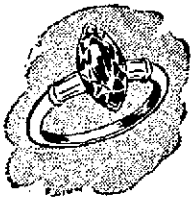

About 2 a. m. two men of another company came in to get the wounded. Still conscious, he directed the cutting of the wires to charge under his back. And they carried him away.

He had lain there for 70 hours.

Snyder, treasurer. Directors named were Judge John M. Cashin, John E. Egan, Francis Hartocoll.

### The Weaker Sex

San Jose, Costa Rica, (AP)—Mrs. Matilde Montero, 64, of Puerto Huma, has been 19 times a widow, having 22 children from her 19 dead husbands, according to the newspaper Ultima Hora. In perfect health, she lives on \$90,000, inherited from her 19 husbands. She recently remarried.

## AMETHYST

THE FEBRUARY BIRTHSTONE

Known as the Gem of Peace after Conflict, the Amethyst is valued for its exquisite color. The rich deep purple-violet gem, when clear and of even color, is the most precious. Amethyst ring stones are cut "en cabochon" and when set in gold or platinum mountings equal in beauty the more costly rings. This stone has a deep religious significance, signifying the supreme sacrifice of Christ.

## Weber Sentence Changed to Life; His Wife Protests

Soldier Also Is Given Dishonorable Release; Mrs. Weber Talks to A.C.L. Head

Camp Roberts, Calif., Feb. 8

—Pvt. Henry Weber was out of the shadow of the gallows today, his death sentence changed to life imprisonment.

The 27-year-old soldier, a shipyard foreman at Vancouver, Wash., before being drafted, was sentenced by court martial to hang for refusing to drill, his case attracted nationwide attention.

Yesterday, by direction of the commanding general of the camp, the court martial reconvened, revoked the death sentence, sentenced Weber to life imprisonment at hard labor, gave him a dishonorable discharge, and ordered his pay forfeited.

In Portland, Oregon, his wife conferred with an American Civil Liberties official. She declared life imprisonment for her husband is "still outrageous."

"I am more determined than ever," she said, "in fighting for justice for my husband." She said her understandings of conscientious objector is that it can refer to "any person whose deep personal convictions, either religious or political, are opposed to taking human life."

Other patriotic Americans are still in uniform and not bearing arms. Henry has insisted all along that he would not kill anyone."

### Bar Association Moves To Erase Bliss' Name

Members of the Ulster County Bar Association at the annual meeting held Wednesday afternoon took steps to expunge from the minutes of the association, action which was taken last April when a resolution endorsing the candidacy of F. Walter Bliss for Supreme Court Justice was offered and adopted by the members present.

The action was taken Wednesday when it was learned that at the meeting last April there was not a quorum present and no action could be taken.

Not only did the Bar Association vote to expunge from the record the endorsement of former Justice Bliss as a candidate to succeed himself but the association voted to declare any action taken at the meeting last April as void.

At the meeting last April a resolution was presented and adopted by those present recommending and endorsing the name of F. Walter Bliss of Schoharie county as candidate for the Supreme Court bench to succeed himself. Justice Bliss was nominated later on the Democratic ticket but was defeated on Election Day by Justice Roscoe C. Elsworth of this city.

Roger H. Loughran was elected president of the Ulster County Bar Association to succeed Abraham Steiner. Walter J. Miller was named vice president; Harry Gold, secretary and Kirtland F.
